

## Help a hero keep in touch with home.

There's no card store in Kabul or Baghdad.  
But on the homefront, **we can help.**

Operation Write Home® sends thousands of hand-crafted birthday, all-occasion, and holiday greeting cards for deployed heroes to write home on. **What can you do?** Send cards. Donate supplies. Help with a financial donation. Write a letter to a hero. There are so many ways that individuals, groups, and companies can help – join in the effort to support our heroes!
